That Your Petitioner was born in the Twp. of Pelham and has received a Certificate for land as a Militia Man of a Flank Co. 2nd Lincoln Artillery in the late War. That lot 8 con. 2 E.C.R. Caledon has thereon a Mill Site. That your petitioner is desirous of obtaining a Grant of sd. Lot paying fees, and on condition of building either a Saw, or Grist Mill for the present, within the required time, but could not undertake to build both within the usual period of 2 yrs. being of opinion that the Water is insufficient to use more than one Mill at a time, should Your Excellency however be pleased to grant his Petition, Your Petitioner would as soon as possible build a Mill of each description. Your Petitioner craves leave further to state that he is of ability to complete the undertaking he proposes, and that James Campbell of Chinguacousy, Mill Wright, and Michael Houcks of Toronto Yeoman would join him in a Bond for the due performance thereof.

Wherefore Your Petitioner humbly prays that Your Exc'y would be pleased to grant him the sd. Lot on condition that Your Petitioner builds a Saw or Grist Mill, as may be deemed by Your Ex. most expedient, within the usual period, and also that Your Ex. would be pleased to grant him a Lease of the adjoining Lot 9 in same con. and Twp., a Crown Reserve.

Caledon

E. H. S.

re Lots 28 & 29, Con. 2.

Toronto, 17 June, 1844.

Dear Sir:

I have been requested by James Carson who is residing upon the W¹/₂s of Lots 28 & 29 Con. 2, E.H.S. Caledon with about 60 acres of Improvements made thereon and a Bond for title from Robert Hobson the original Locatee of one of the Lots as it appears - to ascertain if Deeds have issued in the Name of the said Robert Hobson for these Lots or to any one else - and if no title or discription for title have issued - to request that no Deed or Deeds may be allowed to issue without the consent of the said James Carson - as Carson has been informed that Hobson is trying to sell the Land again.

To Thomas Park Esq.

Thomas Bell,

SUR. Genl.

Agent.

Montreal.

Toronto, 23 Mar. 1848.

Sir:

I wrote you last 8 Feb. relating to the Petitions of John Meason & Arch. McDougall, & requesting the favor to be informed if upon producing the assignment & payment of the Fees on the W¹/₂s of Lots 28 & 29, in Con. 2, Caledon, from Robert Hobson to James Carson (who is in possession) the Patent

CALEDON TWP., EAST. CON. 2, LOT 28. continued

would issue to him, to which I have as yet no reply.

The Com. C. Lands,

Andrew Tod.

Montreal.

Toronto 18 Apr. 1848.

Sir:

I was only y'day favored with yours of 5th (Stamped Montreal, 8th and Toronto 13) inst. as a reply in part to my letter of 23 Mar. but no notice is taken by you of my letter of 8 Feb. last. I was not aware that any lands subject to payment of fees, were ever described for Patent previous to the fees being paid, as in this case they are not. (note - the fees were paid)

On reference to mine of 8 Feb. I requested to know if upon sending down Hobsons assignment to Carson duly executed (which I hold) and the fees (paid by Carson, Hobson being unable) could the Patent not issue to Carson direct? to save him any further risk, or losing his land long possessed by him, and for which Hobson has been long since paid for.

Andrew Tod.
